2020 DC-area CFC Guide Distribution

- **4,475 distributed by hand outside federal buildings and Metro stations near federal agencies.** As we expected, the pandemic made it much harder to distribute by hand. In past years, each distributor could usually get out 300 to 400 guides a day. Last fall, it was usually 100 to 200. We distributed at 27 Metro stations, focusing on ones near the largest federal buildings. We did a few key stations, such as Medical Center, Federal Triangle and L’Enfant Plaza, several times, to catch employees coming to work on different days. We still managed to target employees at 119 DC-area federal and military agencies and offices (*below*), only six fewer than last year.
- **8,000 distributed by hand to military employees at four DC-area bases.**
- **56,000 inserted in *Recreation News*** (November issue), the monthly magazine of Government Employee Associations. It is distributed internally at nearly 200 DC-area federal and military offices (*see list starting on page 3*).
- **6,950 inserted in *The Washington Post* on Sunday, Dec. 13.** Guides we couldn’t get out by hand we put into the *Post*.
