2022 DC-area CFC Guide Distribution

- **17,940 distributed by hand outside federal buildings and Metro stations near federal agencies.** Our hand distribution went very well last fall as many more federal employees returned to their offices, at least part time. On average, our distributors gave out about 250 guides each morning, an increase of about 50 from 2021. We did a total of 78 distributions at 34 Metro stations, eight more than in 2021.

As in 2021, we focused on Metro stations near the largest federal buildings. We did a few key stations, such as Medical Center, Federal Triangle and L’Enfant Plaza, several times, to catch employees coming to work on different days. We were able to target employees at 119 DC-area federal and military agencies and offices (*below*).

- **10,000 distributed to military employees at six DC-area bases.** These guides are handed out at commissaries at each base, along with a copy of Military Family magazine.
- **44,025 inserted in Recreation News** (November issue), the monthly magazine of Government Employee Associations. It is distributed internally at nearly 200 DC-area federal and military offices (*see list starting on page 3*).
