2023 DC-area CFC Guide Distribution

- **14,816 distributed by hand outside federal buildings and Metro stations near federal agencies.** Our hand distribution went well last fall as many more federal employees returned to their offices, at least part time. We did a total of 51 distributions at 34 Metro stations.

As in 2021, we focused on Metro stations near the largest federal buildings. We did a few key stations, such as Medical Center, Federal Triangle and L’Enfant Plaza, several times, to catch employees coming to work on different days. We were able to target employees at 119 DC-area federal and military agencies and offices (*see list below*).

- **10,000 distributed to military employees at six DC-area bases.** These guides are handed out at commissaries at each base, along with a copy of *Military Family* magazine.
- **43,095 inserted in *Recreation News*** (November issue), the monthly magazine of Government Employee Associations. It is distributed internally at nearly 200 DC-area federal and military offices (*see list starting on page 3*).
