2024 DC-area CFC Guide Distribution

- **12,495 distributed by hand outside federal buildings and Metro stations near federal agencies.**

Our hand distribution went well last fall as many more federal employees returned to their offices, at least part time. We did a total of 49 distributions at 34 Metro stations.

We focused on Metro stations near the largest federal buildings. We did a few key stations -- such as Medical Center, Federal Triangle and L'Enfant Plaza -- several times to catch employees coming to work on different days. We were able to target employees at 119 DC-area federal and military agencies and offices (*see list below*).

- **15,000 distributed to military employees at five DC-area bases.**

These guides are handed out at commissaries at each base, along with a copy of *Military Family* magazine.

- **2,400 inserted in *The Washington Post*.**
