

Why Should I Support Your Work?

JDRF International Fighting for a world without Type 1 Diabetes

JDRF leads the fight against type 1 diabetes (T1D) by funding research, advocating for policies that accelerate access to new therapies, and providing a support network for millions of people around the world impacted by T1D. We collaborate broadly to develop a pipeline of innovative therapies to people living with T1D and ultimately, find cures.

Support Our Aging Religious – SOAR!

They were there for us. Now it's our turn.

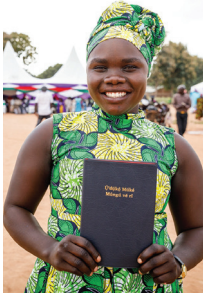

Sisters, Brothers and religious order Priests—who have given their lives to the Church and its work—are facing a crisis. Many worked for only modest stipends. As they age, their communities have little for retirement. Healthcare costs have soared. **In response, SOAR! awards grants to congregations to care for their retired members.** Your donation addresses their immediate needs and ensures their safety, comfort and dignity.

Wycliffe Bible Translators Sharing HOPE through Bible translation

At least 1,800 languages still lack the hope found in the Bible. Wycliffe translates God's Word and teaches literacy. In the Democratic Republic of Congo, a team taught a woman to read Scripture in her language, Mangbetu. She said, *"Ah, thank you, God! I feel comforted, and my strength is renewed. I believe I have seen and felt you through these paragraphs."* **Help bring the message of God's love to many worldwide!**

The Children's Inn at NIH A Place Like Home

The Children's Inn is a place families can stay as their sick child participates in pediatric research at the National Institutes of Health. Our donors provide housing and supportive services, like nightly dinners, at no cost to families. **With your support, we are making childhood possible for the over 1,700 children who stay at The Inn each year,** as they search for answers to their tough medical conditions.
