Subject: Your giving WILL make a difference

Now is the time to think about which charities you want to support through the Combined Federal Campaign, an excellent way to make sure the money you give will make a real difference.

Every charity in the CFC has met a series of accountability standards, such as an annual audit. You can choose to support a broad range of charities—international, national, local. Charities helping the homeless, children, refugees, animals, the climate...just about any cause you care about.

And by having a little deducted from each paycheck, your gift – combined with the gifts of thousands of other CFC donors – makes a big difference for CFC charities.

Below are a few of the charities doing important work that you can support through the CFC. To make your CFC gift, go to [CFCGiving.OPM.gov](https://www.CFCGiving.OPM.gov).
