Subject: Who will you help during this time for giving?

A Time To Give

Wildfires. Hurricanes. Floods, even in New York City. A famine in Ethiopia. A continuing worldwide pandemic.

Has there ever been more need for charities, both those responding to crises as well as those working to prevent them? And for charities that continue to work on the needs that don't go away: homeless families, inequality, diseases without cures, vets struggling with disabilities, and much more.

Through the **Combined Federal Campaign**, you can support charities tackling all these needs. Indeed, you can support several charities with one donation, in a way that helps them throughout the year.

To support charities through the CFC, go to CFCGiving.OPM.gov.
