

Why Should I Support Your Charity's Work?

Wycliffe Bible Translators

Sharing HOPE through Bible translation

At least 1,800 languages still lack the hope found in the Bible. Wycliffe translates God's Word and teaches literacy. In the Democratic Republic of Congo, a team taught a woman to read Scripture in her language, Mangbetu. She said, "Ah, thank you, God! I feel comforted, and my strength is renewed. I believe I have seen and felt you through these paragraphs." **Help bring the message of God's love, with life transformation, to many worldwide!**

American Kidney Fund

Fighting on All Fronts

When you join our fight, you change lives. You help empower people to prevent kidney disease and slow its progression. You make lifesaving health care affordable and accessible for patients. You support innovation in education for patients and professionals. You promote advances in nephrology research. You're by our side as we fight for patient rights in Congress and the states. **And, you help give patients a voice.**

JDRF International

We're fighting for a world without Type 1 Diabetes

JDRF leads the fight against type 1 diabetes (T1D) by funding research, advocating for policies that accelerate access to new therapies, and providing a support network for millions of people around the world impacted by T1D. We collaborate with academic institutions, policymakers, and corporate and industry partners to develop and deliver a pipeline of innovative therapies to people living with T1D and ultimately, find cures. **Please help us accelerate progress toward curing, preventing, and better treating T1D and its complications.**

Cancer Research America: National Foundation for Cancer Research

Research for a Cure

Since 1973 the National Foundation for Cancer Research has been leading the fight to prevent, treat and cure cancer—all cancer. With the help of our donors, NFCR supports cutting edge cancer research by funding the world's leading cancer researchers and scientists. Through the years, we've helped make numerous scientific breakthroughs, leading to new prevention and detection tools and better treatment options. **Please pledge your support today and help us continue to save lives.**

Support Our Aging Religious – SOAR!

They were there for us. Now it's our turn to give.

Sisters, Brothers and religious order Priests—who have given their lives to the Church and its work—are facing a crisis. Many worked for only modest stipends. As their median age rises, their communities have little for retirement. Healthcare costs have soared. **In response, SOAR! awards grants to congregations of Catholic Sisters, Brothers and Priests to care for their retired members.** Your donation addresses their immediate needs and ensures their safety, comfort and dignity. Please help.

The Children's Inn at NIH

"A Place Like Home"

The Children's Inn is a place families can stay as their sick child participates in pediatric research at the National Institutes of Health. Our donors provide housing and supportive services, like nightly dinners, at no cost to families.

With your support, we are making childhood possible for the over 1,700 children who stay at The Inn each year, as they search for answers to their tough, and sometimes rare, medical conditions.

Defenders of Wildlife

Protecting and restoring imperiled wildlife across North America and around the world

Founded in 1947, Defenders of Wildlife is dedicated to protecting and restoring imperiled species and their habitats in North America. Defenders' approach is direct and straightforward—we transform policies and institutions and promote innovative solutions. Go to **defenders.org** to learn more about how we advocate for and protect wildlife—like wolves, bears, whales and so much more—across North America.
